NOTES:

Diagrams of windows, doors and frames indicate style viewed from the outside and do not reflect size. Other diagrams are showing a section through or a generic view.
All our external double glazed and insulated joinery items are CE marked and equal or exceed current building regulation u-value ratings. Certificates showing u-values are available on request.

We use Accoya for all our painted external glazing beads and applied bars. See our website for information on Accoya. Please use Stainless Steel fixings.

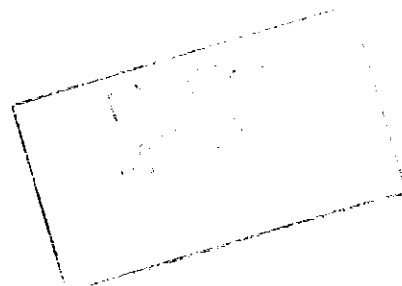

This is our best interpretation of your requirements and by placing an order you are confirming all sizes, quantities and styles are correct.

Shrink wrapping is available at a cost of £7.50 per item.

Please ring with any queries.

Yours sincerely

Robert Taylor
