Dear Dr Stevenson

Tree in Conservation Area – 11 Main Road, Aislaby

Thank you for the notification of your intention to carry out work to a tree at 11 Main Road, which was received by this Office on 18 March.

I can confirm that the North York Moors National Park Authority has no objection to the felling of this Eucalyptus tree.

I note that your intention is to replant with an ash tree. Please note that there is currently a ban on the movement of nursery stock for this species due to ash dieback disease. We would advise that an alternative species is selected.

As stated in the Town and Country Planning Act 1990 (Listed Buildings and Conservation Areas), the above permission is subject to a six week notification period, with the details recorded in a register open to public inspection. Therefore, after a six week period from the date of notification has elapsed (which would mean after 28 April 2019) subject to no objections being received, the work noted above may be carried out within a period of two years without further reference to myself.

If you have any queries, or require any further information, please do not hesitate to contact me.

Yours sincerely

Mark Antcliff
