Dear Sirs,

Planning application NYM/2018/0252/FL - 21 Egton Road, Aislaby, Whitby. YO21 1SU

I welcome the application to renovate the above property in Aislaby; it will be a marked improvement on the current condition of the site.

However, I question the application to render the exterior walls white and replace the terracotta roof tiles with black slate. The houses on Egton Road, Aislaby, are either brick or stone - there are only a few properties in the village with the proposed features and none of them are on Egton Road. The street view on *Google Maps* will confirm this.

I trust the aesthetics of the proposals will be reviewed before a final decision is made.

Yours faithfully,

Alexandra De Villeay
