**Subject:** RE: Sirius Minerals Response to EA Letter of 03.05.2018

Morning Rob,

Please find a letter attached which confirms that we are satisfied with Sirius Minerals' response to our original consultation response.

In relation to the submissions for the park and ride site, I have checked and these were marked as 'inappropriate consultations' – due to the level of risk, we will therefore not be providing a consultation response for these applications.

Any questions, please let me know.

Thanks,

Nick
