Dear Sir

Regarding Planning Application NYM/2018/0201/FL

The Forge High Street Egton

Regarding the public footpath which goes through Market Place Cottage garden, one paddock, two fields, and then to the back lane of Egton. I have noticed that planning permission has been applied for to convert farm buildings near the footpath into a holiday let.

As a resident who uses the footpath regularly I am very concerned about the loss of this path, particularly it becoming dangerous to all walkers, because a holiday let will increase traffic across what is essentially a public footpath.

I would be grateful if my concerns are taken into consideration by the planning department.

Yours sincerely

Mrs Janet Dodds
