Good Morning Ailsa,

I contact you in regards to item 6 on the decision of planning for NYM/2017/0807/FL

Please find attached image of the cladding which is to be of soft wood in an overlapping design.

I have also attached an image of the oak stain that will blend well with the surroundings and the oak front of the building.

If you could let me know that the above is ok then I can call & pay the £34.00 condition discharge fee.

Kind regards

Rachel Coates
