Subject: Re: Planning Application Manor House Farm

I am extremely opposed to the above application; I do not think it is right for me to have a factory set up opposite my property, this is supposed to be a National Park. There is going to be a great deal of noise from what I understand is to be a metalworkig factory. There are more items going in all the time, and no sign of it stopping. Access is a problem with the large lorries delivering; It was never allowed as a main entrance, and is an accident ready to happen.

Please can this inconsiderate behaviour be stopped,

Yours Faithfully,

Vivian George.
