Date:

30 July 2018

FAO:

Rob Smith

Copies to:

This additional recommendation follows the receipt of Sirius Minerals letter dated 10 July 2018.

The Local Highway Authority (LHA) is now satisfied that the matter of HGV routing on the agreed alternative routes to the Quarries at Wykeham and Pickering is understood by Sirius Minerals and that the proposals will not result in the permitted HGV movements on these routes being exceeded.

It is therefore acceptable to the LHA for Condition 34 to be discharged.
