Date: 30 July 2018

Dear Mr Cox

Verification check of conditions 4, 18, 34, 45, 46, 47, 52, 57, 59, 60, 68, 70, 71, 73, 76, 79, 81, 87, 91, 92, 93, 94, 95 & 97 of planning approval NYM/2017/0505/MEIA at Land at Woodsmith Mine (formerly Doves Nest Farm & Haxby Plantation), Sneatonthorpe (minehead); underneath 252 km2 of the NYMNPA (winning & working of minerals); a corridor extending underground from the edge of the NP boundary to Wilton Complex (mineral transport system); Ladycross Plantation near Egton, Lockwood Beck Farm near Moorsholm, Tocketts Lythe, near Guisborough (intermediate shaft sites); site within the eastern limits of the Wilton Complex, Teeside (tunnel portal)

I refer to your letter of 25 May 2018 and original accompanying details, to partially satisfy requirements for discharge of conditions (phase 5 stage) of planning permission NYM/2017/0505/MEIA. I also refer to the subsequent clarification relating to discharge of condition 34, relating to the management of HGV traffic movements, provided in the letter from Sirius Minerals dated 10 July 2018.

I would advise you that having consulted further with North Yorkshire County Council as highways authority and having assessed the information submitted with your letter of 10 July 2018, I can confirm that the requirements of condition 34 are now discharged for the purposes of the Phase 5 works.

Yours sincerely

Mr C M France
Director of Planning
