hi jill - this is information from shaun regarding the condition 18 request

Hi Mick,

Following on from our meeting yesterday.

Information for Condition 18 - for you to send to Jill Bastow

The finished floor level of the spa and leisure complex is at the **same** finished floor level of the existing Dovecote function room

Heights for Dovecote Function Room

Finished floor level to Eaves - 3.550 meters

Finished floor level to Ridge - 6.360 meters

Heights for Spa and Leisure Complex (at 2-storey section)

Finished floor level to Eaves - 7.200 meters

Finished floor level to Ridge - 10.700 meters

Thank you
Kind regards,

Shaun
