Dear Victoria,

Thank you for the Parish Council's comments in relation to the above application.

Just to clarify I have copied the wording of the full condition that they wish to vary below. Could you please clarify if the Parish Council would still object knowing that the 28 day restriction of occupancy would still be maintained?

I look forward to hearing from you with regard to this matter.

3. The holiday units hereby approved shall not be used for human occupation except between 1 March and 31 October in any year and the use of the holiday units shall be limited to persons either

- 1) Using the facilities or working at the adjacent riding centre
- 2) For holiday letting purposes. For the purpose of this condition "holiday purpose" means letting to the same person or groups of people for not more than 28 days in any calendar year.

Kind Regards,

Dear Team

At the meeting of Eskdaleside cum Ugglebarnby Parish Council on the 3/9/18 it was resolved **To Object** to this planning application for the following reasons:

- 1) the pods are holiday lets only
- 2) if this application was passed it would set a precedent

Kind regards

Victoria
