Subject: Condition 9 (Acoustic Assessment) of Planning Permission NYM/2018/0384/FL

Andrew

Just to keep you updated, I spoke to SBC EHO yesterday who has advised that the acoustic assessment can only be provided by a suitably qualified person (not the applicant).

Mr Gibbon has subsequently authorised that I obtain quotes for this work to be carried out and once appointed I hope to be able to furnish you with fresh evidence in this respect soon.

Kind regards

Cheryl Ward
