

### Supporting Agricultural Information

Applicants/Agents are encouraged to complete the tables below as this will enable the Authority to speed up the processing of the notification. The purpose of this form is to provide basic information on the farm system to help assess the need and appropriateness of an agricultural building within the National Park.

| Livestock Numbers                   | Average Number Throughout the Year | Notes        |
|-------------------------------------|------------------------------------|--------------|
| Dairy Cows                          | 130 COWS                           | DAIRY COWS   |
| Suckler Cows/Heifers Over 24 Months | 35 HEIFERS                         | REPLACEMENTS |
| Followers (6-24 months)             | 60 STORE CATTLE                    |              |
| Breeding Ewes/Tups                  | 50 BREEDING SHEEP                  |              |
| Hoggs                               | —                                  |              |
| Other Livestock                     | 3 BREEDING BULLS<br>10 HORSES      |              |

| Land                               | Area (Hectares) | Notes |
|------------------------------------|-----------------|-------|
| Size of Holding                    | 109 HA          |       |
| Available Grazing Land             | 89 HA           |       |
| Arable Land                        | 20 HA           |       |
| Moorland                           |                 |       |
| Grazing Land on Short Term Tenancy | 20 HA           |       |

The above will help us determine the stocking density on the farm.

**List Main Existing Agricultural Buildings**

**Approximate Dimensions (in metres)**

**Existing Usage/Notice**

| List Main Existing Agricultural Buildings | Approximate Dimensions (in metres) | Existing Usage/Notice                |
|---|------------------------------------|--------------------------------------|
| MAIN SHED                                 | 27M x 18M                          | MODERN BUILDING FOR CATTLE           |
| MIDDLE SHED                               | 30M x 6M                           | MODERN BUILDING FOR CATTLE           |
| CALVING SHED                              | 13M x 13M                          | MODERN BUILDING FOR CATTLE           |
| LONG SHED                                 | 44M x 9M                           | MODERN BUILDING FOR STORAGE + CATTLE |
| ISOLATION PENS                            | 7M x 7M                            | MODERN BUILDING                      |
| SILAGE CLAMP                              | 30M x 12M                          | CONCRETE STRUCTURE                   |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
|   |                                    |                                      |
