Following our site visit it is apparent that a substantial amount of work has been carried out without the benefit of LBC and therefore after discussing the situation with colleagues I would advise that the current application is withdrawn so that these works can be rectified.

**NYM/2018/0566/LB** Application for Listed Building consent for internal refurbishment works at Avery House, Shell Hill, Robin Hood's Bay.  
No objections.

**NYM/2018/0604/FL** Application for construction of single storey extension following demolition of conservatory at The Red House, Thorpe Lane, Robin Hood's Bay.  
No objections.

**NYM/2018/0611/FL** Application for erection of timber fenced refuse store at Boggle Hole Youth Hostel, Mill Bank, Mill Beck, Fylingthorpe.  
No objections but concerns were raised about the closeness of the gas tank and the whether or not the new store replaces the old facility.

**NYM/2018/0638/FL** Application for variation of condition 2 (material amendment) and 3 of planning approval NYM/2017/0023/FL to replace the stone columns and fascia with painted timber at Victoria Hotel, Station Road, Robin Hood's Bay.  
No objections as long as the noise attenuation specification is the same with the wood as with the stone. Also that the same ventilation specifications are in place.

**NYM/2018/0661/FL** Application for creation of 2 no. additional window openings to first floor of south elevation at Alexandra Lodge, Mount Pleasant East, Robin Hood's Bay.  
No objections

**Application for variation of condition 2 - Planning Approval NYM/2018/0177/FL**

Comments:

Concerns about 'any' food being sold resulting in the subsequent rubbish. The bins are already full to over flowing.

Door and sign better than they were.

Concerns expressed about the continuing changes to the application.
