Design and Access Statement for proposed development at No 76 Main Road Aislaby Whitby.

The proposed development is to add a two storey side extension with a single storey rear extension and enlarged front porch

#### Physical Context

The site is situated within an area of mixed designed properties many having similar extensions. The situation of the property is on a main road village location.

#### Social Context

The proposals will enhance the living accommodation for a young couple and is of great importance to the wellbeing of the present occupiers.

#### Design

The original house is an ex Local Authority dwelling and as such is well constructed. The original external finish is of a rendered material and the proposed extensions will be constructed and finished in a similar manner. The existing rather dilapidated garage is to be demolished to make way for the proposed extension and will provide much more roomy accommodation for a family residence.

#### Access

There will be no new access required for the development.
