Morning Ailsa

Confirming the applicant is agreeable to the suggested conditions contained in your letter sent on 4 December 2018.

The applicant has advised that should the roof of the garage pose a problem he would be prepared to remove it and the front wall of the garage for a simple retaining wall parking area. The front face was added to make the development more acceptable in visual terms. If otherwise all is well then I would be minded to leave the application as it is.

Kind regards

Cheryl Ward
