Dear Sir or Madam,

Thank you for your email with regards to the above reference number.

We provide standing advice in place of individual responses to planning consultations on or near ancient woodland.

Please view the following link to the Forestry Commission and Natural England's standing advice in relation to ancient woodland and veteran trees.

Should you require bespoke advice in relation to any impacts on ancient woodland with regards to this planning application, please let us know.

Kind regards,

Serena Clifford

Public Footpath Eskdale Cum Ugglebarnby 3 uses part of the access track and is not marked on the plans. The public right of way is NOT affected by the proposed development but the safety of passing public should be considered if using the access track during construction
