Subject: RE: Atkinsons Wood Farm, Easby - Revised Plans

Dear Edward and Helen,

Please find attached the revised drawings for the stable doors. Involving the use of pintles.

I haven't had any reply from you on the contents of my note below. As you will appreciate, my client is very anxious to get on with looking after the building and wonders what the timescale is going to be from here on?

Please could you come back to me as a matter of some urgency on this, given the passage of time?

Many thanks,

Kind regards,
