Afternoon Graham,

Yes that would be fine – please could you specify what colour you will paint it.

Thanks

Hilary

Good morning Hilary,

Condition 14 – Rubbish Bin

I'm conscious I didn't reply to your request for a cast Iron bin. There are lots of cast Iron effect, made from fibre glass and identical to the ones already on the Quarterdeck; there are also cast Aluminium, but I have struggled with Cast iron.

The nearest new cast iron, identical to the picture is costing £800, but I have located and about to purchase from an architectural salvage company, one of the attached, weighing 180kg. It requires some renovation, but will come up looking like new .

I do hope this is ok, I think it will look very nice stood next to the tea Hut

Kind regards

Graham
