Dear Wendy

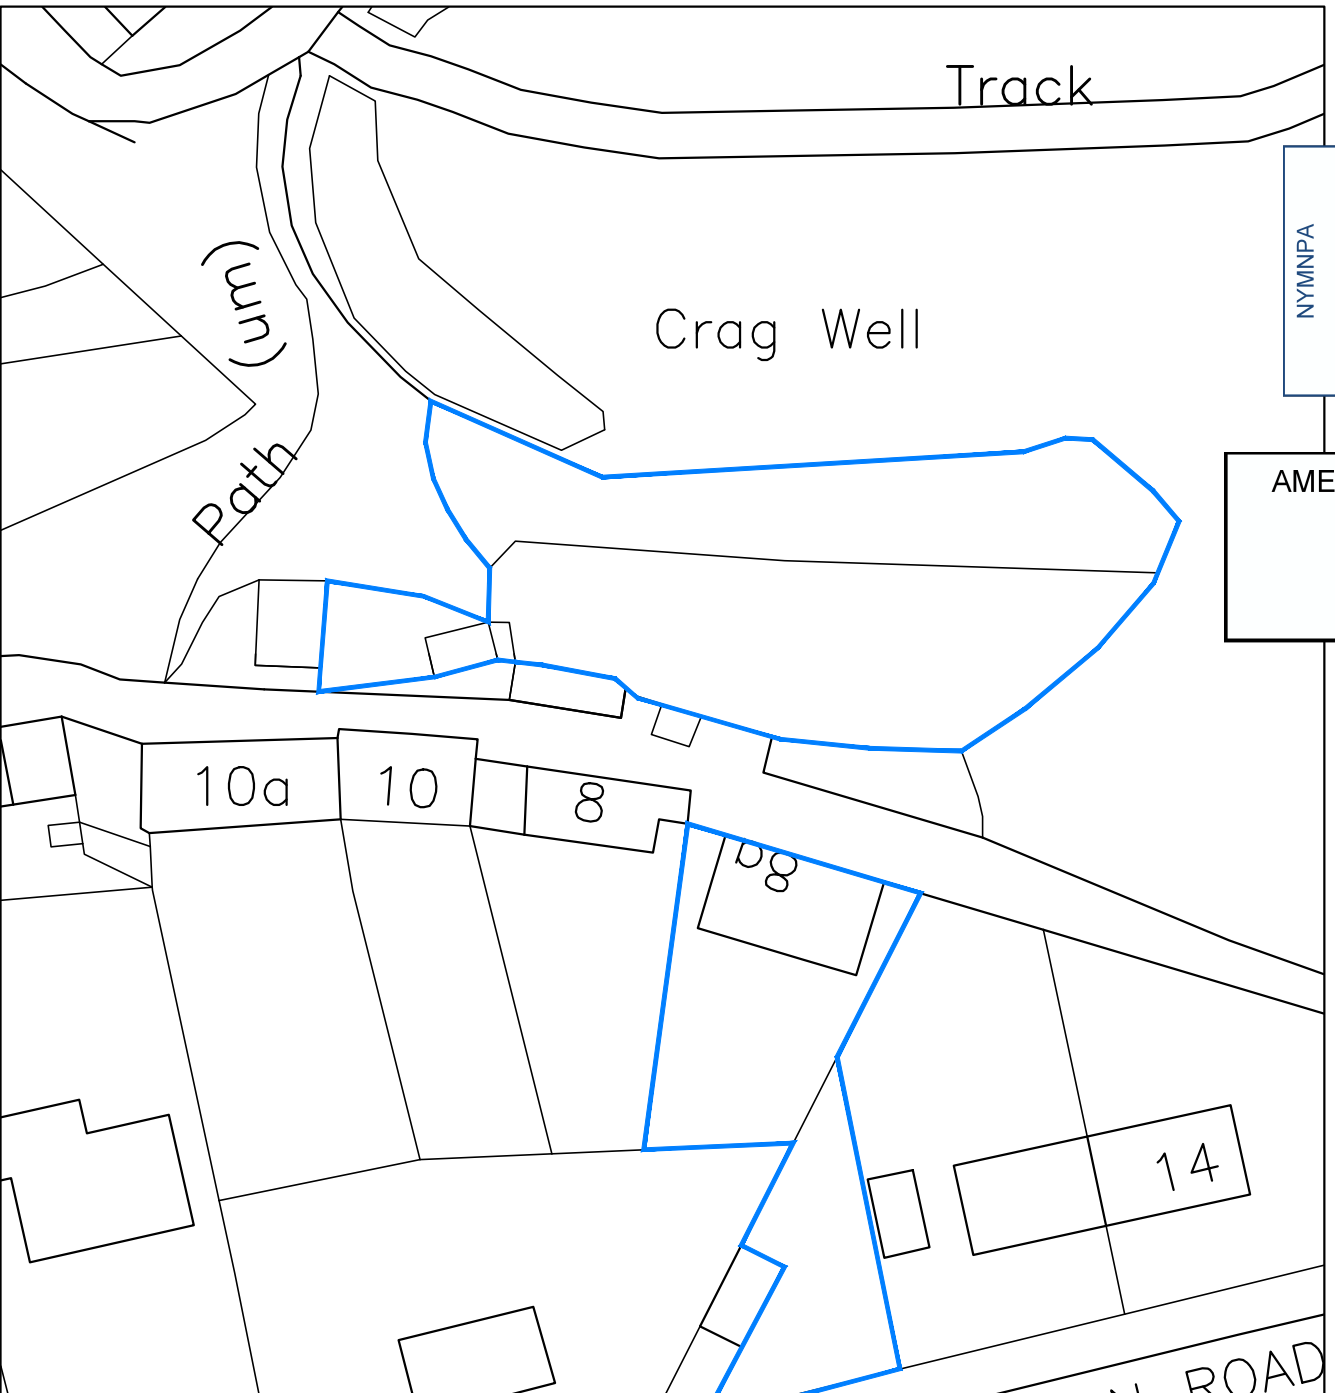

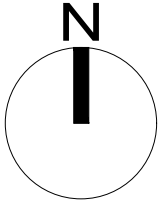

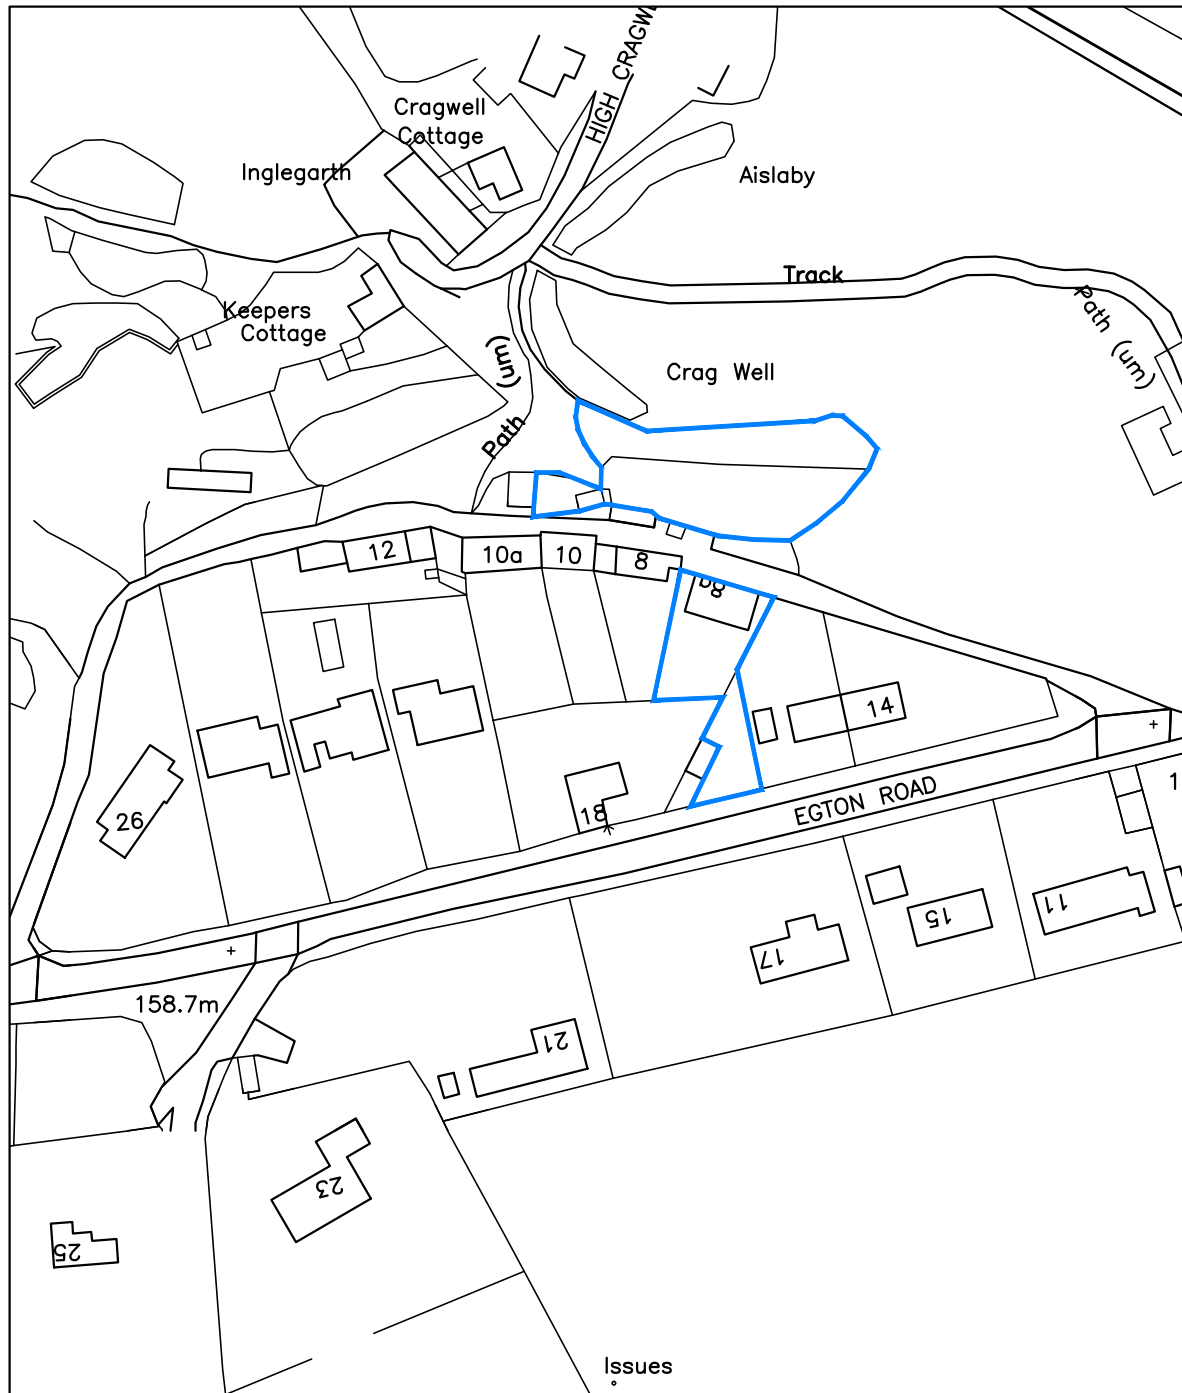

I realise that the above application is probably about to be determined however I would be most grateful if you could substitute the attached plans for the drawing numbers you will already have on file. A small error has been picked up on the text at the bottom of the plan rather than it concerning the plan itself and we wish to have this corrected prior to a decision being taken.

If you could let me know when the plans have been changed I would be most grateful to you.

*Wishing you a Happy Christmas and New Year.*

Kind regards

*Cheryl Ward*
