Subject: Proposed building

Ref: NYM 2018.0679/ACRP
Dear Ms. Rowan
Please see below the two photographs taken at Hollar, Cambouls looking towards the proposed building area.
The proposed agricultural building would be in the centre of the picture and if situated there would have a considerably more negative impact on the landscape than if it were nearer the existing farm buildings on the left of the second picture.
Yours sincerely
Peter and Juliette Hamilton.
