31 January 2019

Dear Miss O'Mara

PLANNING APPLICATION: NYM/2019/0004/FL

**Installation of 3 no. interpretation boards and 1 no. cast model, table and benches ;
Land North West Of Grosmont Station Land Near The Old School, Land North West
Of The Engine Shed, And Land South Of Whinstone Cottage, Grosmont**

Thank you for your notification of 15 January 2019 seeking the views of The Coal Authority on the above planning application.

The Coal Authority is a non-departmental public body sponsored by the Department of Business, Energy & Industrial Strategy. As a statutory consultee, The Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

Although noted as falling within the defined Development High Risk Area following a review of the data we hold for the application site I can confirm that there is no recorded coal mining legacy, but there are 5 Ironstone mine entries recorded as being present mine within or close to the red line boundary.

On the basis of the above I can confirm that we have no objection to this planning application.

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours sincerely

Melanie Lindsley

NYM/2019/0004/FL

land north west of Grosmont Station, land near The Old School, land north west of The Engine Shed and land south of Whinstone Cottage, Grosmont

Installations near trees should ensure that there is no damage to roots or rooting environment. Cement products should not be used but where this is unavoidable excavations will need to be lined to prevent the leaching out of toxic materials.

Dear Miss O'Mara,

I am writing to request an extension on the period for comments for the application for interpretation boards, etc, at Grosmont. We meet on the 13 February, so a response will be sent the following day.

Thank you.

Regards,

Lucy
