Re. NYM/2019/0096/CVC

Dear Mrs Saunders

I have attached two letters to support my compliance with the occupancy restriction at Hartside Harwood Dale.
One is from my parents and the second letter is from our nearest farming neighbour.

Yours sincerely
Tom Newham.

Dear Mrs Saunders

Re NYM/2019/0096/CVC

Further to your email to our son Thomas, we can confirm that
Thomas plays an important part in the running of our farm
business. As sheep farmers Thomas plays a vital role in help
with usual shepherding tasks – from the onset of lambing
through to the sale of their progeny as either ewe
replacements, or fat lambs.

As a partner in the business he is included in any decision
making.

If he is able to live at "Hartside" Harwood Dale, he would be
within close proximity of our land at Harwood Dale.

As we get older we rely a lot more on help, particularly with
fencing, manual lifting etc – the reality of farm work, despite
the help of modern farm machinery and equipment!

Kind regards

David and Elaine Newham

To whom it may concern

Re: Thomas Newham, Highlands Farm, Burniston,
Scarborough.

I am a close neighbouring farmer to David and Elaine
Newham and family of Highlands Farm, and I can confirm
that the Newham family have farmed in the Burniston,
Cloughton and Harwood Dale area for many years.

I can confirm that Thomas has farmed in partnership with
his parents, and has proved to be a very capable young
man who has worked for them from been a boy of school
age.

He has a kind and considerate nature and would prove an
asset to village life in Harwood Dale, where I understand he
is applying to live in a house with an agricultural
occupancy restriction.

Yours faithfully

D W Foster.
