Application in respect of use of land for the siting of 7 no. static caravans for holiday use with associated landscaping

Rigg Farm Caravan Park, Stainsacre

With respect to the above planning application, I confirm that we have no objections to the granting of planning consent on licensing grounds. The applicant should be aware however, that they will need to amend their current caravan licence if planning consent is given. A caravan site application variation form can be obtained from me at Scarborough Borough Council.
