Subject: Responses to applications from Fylingdales Parish Council

NYM/2016/0168/FL (0187/LB) Application respect of construction of replacement dormer window to front roofslope together with installation of replacement door to ground floor, door in place of window to first floor and creation of roof terrace to rear at Seascope, King Street, Robin Hood's Bay.
The Parish Council has no objections to the flat roof but considers that the use of the other materials, glass and stainless steel, is not in keeping with the surroundings. The Parish Council has concerns about the visual impact of the proposed alterations.

Virginia Ramsey
(Parish Clerk)
