The above named Authority being the Planning Authority for the purposes of your application validated 21 July 2015, in respect of proposed development for the purposes of erection of **general purpose agricultural building with associated hardstanding and associated landscaping at land south of A171 between Hawsker & Stainsacre** has considered your said application and has granted permission for the proposed development subject to the following conditions:

1. The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
2. The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Location Plan	N/A	19 November 2015
Proposed Elevations	N/A	1 December 2015
Proposed Landscaping Plan	N/A	19 November 2015

or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.
3. Notwithstanding the provisions of Part 6 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order), no development which otherwise would be permitted under Part 6 to the said Schedule shall be carried out without a further grant of planning permission being obtained from the Local Planning Authority.
4. No storage of materials, machinery, vehicles, waste or other items shall take place outside the building(s) on the site without the prior written agreement of the Local Planning Authority.
5. No external lighting shall be installed in the development hereby permitted until details of lighting have been submitted to and approved in writing by the Local Planning Authority. The lighting shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity.
6. The external surface of the roof of the building hereby permitted shall be coloured and thereafter maintained dark grey and shall be maintained in that condition in perpetuity unless otherwise be agreed in writing with the Local Planning Authority.

Conditions (Continued)

7. All hard and soft landscape works comprised in the approved details of landscaping shall be carried out no later than the first planting and seeding seasons following the occupation of the buildings or the completion of the development, whichever is the sooner, or in accordance with a programme agreed by the Local Planning Authority. Any trees or plants planted in accordance with this condition which, within a period of five years from the completion of the development, die, are removed or become seriously damaged or diseased shall be replaced in the current or next planting season with others of similar size and species unless the Local Planning Authority gives written consent to any variation.
8. No work shall commence to clear the site in preparation for the development hereby permitted until full details of the access surfacing have been submitted to and approved in writing by the Local Planning Authority. The access surfacing shall then be implemented in accordance with the approved details and shall be maintained in that condition in perpetuity.
9. If the use of the building for the purposes of agriculture within the unit permanently ceases within five years from the date on which the development was substantially completed, the building shall be removed from the land and the land shall, so far as is practicable, be restored to its condition before development took place unless the Local Planning Authority has otherwise agreed in writing or unless planning permission for change of use of the building to a purpose other than agriculture has been approved.

Reasons for Conditions

1. To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
2. For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
3. In order to enable the Local Planning Authority to retain control over future alterations to the farm buildings in the interests of safeguarding the character of the locality in line with NYM Core Policy A and NYM Development Policy 3, which seek to enhance and conserve the special qualities of the NYM National Park and secure high quality design for new development.
4. In the interests of the visual amenities of the locality and to comply with the provisions of NYM Core Policy A which seeks to conserve and enhance the special qualities of the National Park.
5. In the interests of the visual amenities of the locality and to comply with the provisions of NYM Core Policy A which seeks to conserve and enhance the special qualities of the National Park.

Reasons for Conditions (Continued)

6. For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
7. In order to comply with the provisions of NYM Core Policy C which seeks to conserve and enhance the quality and diversity of the natural environment.
8. In the interests of the satisfactory appearance of the development and in order to comply with the provisions of NYM Development Policy 3 which seeks to ensure that development proposals incorporate suitable hard landscaping details.
9. In order to comply with the provisions of NYM Development Policy 12 which seeks to ensure that there is a functional requirement for the building in the long term to justify an exception being made to normal planning policies which seek to restrict new development in the countryside.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Mr C M France
Director of Planning
