Subject: Comments on NYM/2016/0264/FL - Case Officer Mrs H Saunders - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, Via Email: building@northyorkmoors.org.uk

No objection. The applicant has responded to pre-application concerns by retaining half of the angled block for storage. This has the added benefit of allowing three of the openings to be kept shuttered which will in turn help conserve the architectural and historic character of the listed barn. Please condition details of joinery, glazing and finish for proposed fenestration, the retention of existing doors/shutters where these are shown to be pinned back and details of proposed lining/flooring/under-drawing of roof. Please also add an informative stating that unless specifically annotated on the approved plans the suggestions raised in the structural engineers 'discussion' section are not authorised. BD
