Subject: Comments on NYM/2016/0316/FL - Case Officer Mrs H Saunders - Received from Building Conservation at The Old Vicarage, Bondgate, Helmsley, York, YO62 5BP, Via Email: building@northyorkmoors.org.uk

No objection as the host building is not historic and as such the removal of the gable is not likely to result in any undue harm to the Conservation Area and as such its overall character will be maintained.

It would appear that the existing rainwater goods are cast iron and therefore please could we request that new cast iron is sourced to match, and that the green paint colour is maintained (or alternative colour to be agreed).
