NYM/2016/0459/ FL Application in respect of workshop/studio building at Brooklea, Fylingthorpe. The Parish Council objects to this application for several reasons. The measurements are questionable, there are no plans for drainage, no insulation is mentioned, there are not any internal measurements and the roof is concrete fibre instead of natural materials. Also the report with regard to the immediate area bears no resemblance to Fylingthorpe and the conservation area. Overall the Parish Council decided that there is not enough information or accurate information to support this application.

No objections.

Virginia Ramsey
(Parish Clerk)
