Subject: Comments on NYM/2016/0504/FL - Case Officer Mrs C Ward - Received from Mrs Louise Lockley at resident of Iburndale, mill lane, 7 mill lane, Iburndale, Whitby, Yo22 5du

We would like assurances that this development will not increase traffic along mill lane, an unmade residential lane leading to zetland house. As Residents of mill lane we are concerned about the use of the ménage by others associated with the owners of zetland house adding to the disruption and worsening of the condition of mill lane. Residents along mill lane already suffer unacceptable destruction of grass verges, flower beds, fences and garden walls, by the owners of zetland house when using their horse box, which is in use daily. We do not want this to increase, worsening the already poor condition of the lane and damaging residents properties further. We would appreciate clarification on future planned use of the ménage and assurances that the development will not increase traffic along Mill lane, which is narrow, unmade and for residents access. Many thanks.
