NYM/2016/0506/FL Application in respect of installation of 3 no. velux windows and lowering existing windows to north elevation and installation of 4 no. top hung windows, 2 no. vertical windows in existing reveals and double doors to south elevation at Station Waiting Rooms, Station Road, Robin Hood's Bay. The Parish Council objects to this application because it will totally change the look of the original building; the plans are unsympathetic to the original building.

No objections.
