Dear Hilary,

No objection

In light of the vehicle movement statement submitted as part of this application, to assist you in screening for the likelihood of significant effects Natural England advise that the proposal is unlikely to have a significant effect on any European site, and can therefore be screened out from any requirement for further assessment.

Please see my letter dated 9th January 2017 for Natural England's comments relating to nationally designated sites, landscape, protected species and biodiversity enhancement.

Kind regards,
Elisa
