Subject: Comments on NYM/2016/0817/FL - Case Officer Mrs H Saunders - Received from Dr Ian Glaves at Halleykeld House, YO13 9DZ

This application MUST be refused. It will cause significant disturbance to wildlife, being in the middle of an area important for breeding BTO Red List and Amber List birds. The scheme is purely for the self-indulgence of the applicant and his cronies to perform aerial acrobatics and has no commercial merit whatsoever.
