Dear Mrs Saunders

Re: re: Revised Scheme following Dismissal of Appeal NYM/2015/0781/FL at South Moor Farm, Langdale End, Scarborough, North Yorkshire YO13 0LW

We would like to register our objection to this recent application having lived here for 20 years, we are keen amateur birdwatchers and supporters of the National Park, its policies and the way it is managed.

The area behind South Moor Farm across to Backleys dropping down into Deepdale and on into Darncombe is a rare natural amphitheatre and a peaceful haven for all country pursuits.

We have been loathed to put pen to paper but now needs must. Our sightings of Hen Harriers, Goshawks etc. we have not broadcast because of unwanted attention from the wrong quarters;

With recent activity of people shooting on the Green Lanes and Bridleways, surely unlawfully. Offroading motorcycling also becoming more prevalent, putting further pressure on the Country Ranger, and decimating the pathways.

Now the threat of aircraft noise adding to these intrusions, without firm action the whole area could descend into anarchy.

We totally support strong action from the Authority to repel the latest proposed blight on the people both living here and enjoying the area as visitors.

Yours sincerely

Mr and Mrs A D and P J Weddell
