RANGE COOKER SPECIALIST

Dear Sirs,

Reference: South Moor Farm – Proposed Air Strip. Application - NYM/2016/0817/FL

I'm a local business man and pilot wishing to register my support for this amenity.

We are lucky to live in an area of outstanding beauty but it is essential that we encourage visitors so that their expenditure helps support the local community and businesses.

A pilot and his passengers visiting our area will use the local taxi service, attractions, accommodation and restaurants.

This airfield is perfect positioned to visit Ryedale and to travel to the north to Whitby.

Please support the application.

Best Regards

*Michael Ashby-Arnold*
