Dear Mrs. Saunders,

Re: Proposed Airstrip Including Grass Runway and Pilot / Restroom Facility At South Moor Farm, Langdale End, Scarborough, North Yorkshire, YO13 0LW.

As Bickley Parishioners who have presented objections to the previous applications for this development, we are disappointed that North York National Park Authority have failed to write to us with notification of the above Planning Application.

Furthermore, we have been unable to obtain a copy of the last Planning Inspectorate Appeal determination letter and therefore we are unaware of the grounds for the Appeal being dismissed.

We understand that several other Bickley Parishioners who have also objected to previous Applications for this development have not received notification from the Authority.

Considering the high volume of documents that we need to review and consider in our response, we request that an extension of time to respond is granted by the Authority.

Yours sincerely,

M R Heap & J M Singleton
