Subject: Comments on NYM/2016/0817/FL - Case Officer Mrs H Saunders - Received from Ms Sara Robin at Yorkshire Wildlife Trust, 1 St Georges Place, York, YO24 1GN

Comments:

I have looked at the application documents. As the use of the airfield will be during the day and there do not appear to be plans for lighting the area the impact on bats will be limited. There may be possibilities for managing the area for wildlife and enhancing the grassland next to the runway with wildflowers so it is valuable for invertebrates.
