Although there are No Highway Objections to this application it should be noted that the Highway Authority has concerns regarding the presence of an aircraft runway visible form the live carriageway, Dalby Forest Drive. As this will only be used occasionally it is felt that the distraction of an occasional light aircraft landing or taking off could result in conditions which could distract drivers and be prejudicial to highway safety. Dalby Forest Drive is a private toll road and any warning signage should be agreed with The Forestry Commission.
