Subject: Comments on NYM/2016/0880/FL

NYM/2016/0880/FL Change of land use to form camping/glamping site, construction of reception building, conversion of storage building to wet weather facility & associated access, parking and landscaping at Cloughton Sawmill, Cloughton Bank

The above application has been considered by Parish Councillors. There are no objections in principle. However there are strong concerns mainly traffic-related. While the entrance has been moved slightly and re-profiled, councillors are still worried it will not be enough. Traffic comes down Cloughton Bank at national speed limit and above (including HGV's). Clear long distance sight of the new entrance is not possible southbound due to the profile of the hill. Similarly people heading north who wish to turn into the site will create standing traffic in the path of southbound traffic. Cloughton Bank already has accidents ranging from minor injury to serious injury on a regular basis, it is feared the level and frequency of accidents will increase.

J Marley (Mrs)
Clerk to Cloughton Parish Council
Annan,
41 Scalby Road,
Burniston,
Scarborough
YO13 0HN
