Dear Sirs

Re Proposed Decking in Former Garden Front Street Grosmont

Design And Access Statement

The site has been previously used as a garden Mr Wallis has purchased the plot of land and now wants to use the the land by erecting a timber and steel decking with glass guarding to use for recreational purposes..Mr Wallis wishes to use the land for painting which he would like to sell and the proceeds to be given for the use by the community.The remained of the land would be left as a nature reserve
