The above named Authority being the Planning Authority for the purposes of your application validated 13 January 2017, in respect of proposed development for the purposes of **alterations to garage/outhouses to form additional living accommodation, removal of chimney stacks and installation of flue pipes together with installation of replacement doors and windows** at **The Croft, 6 Main Road, Aislaby** has considered your said application and has **granted** permission for the proposed development subject to the following conditions:

- 1 The development hereby permitted shall be commenced before the expiration of three years from the date of this permission.
- 2 The development hereby permitted shall not be carried out other than in strict accordance with the following documents:

Document Description	Document No.	Date Received
Full Set of Plans and email from Paul Kidd		15 February 2017

 or in accordance with any minor variation thereof that may be approved in writing by the Local Planning Authority.
- 3 All new stonework used in the development hereby permitted shall match that of the existing building including the colour and texture of the stone and the method of coursing and pointing unless otherwise agreed with the Local Planning Authority.
- 4 The roof of the development hereby permitted shall be clad with traditional, handmade natural red clay pantiles and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
- 5 No work shall commence on the timber cladding of the development hereby permitted until details, including the design and fixing of the timber cladding including samples if so required have been submitted to and approved in writing by the Local Planning Authority. The materials used shall accord with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed with the Local Planning Authority.
- 6 All pointing in the development hereby permitted shall accord with the following specification - a lime mortar mix of 1:2 ½ (lime; sand (sand mix of 50% sieved sharp sand and 50% builders sand)) with a slightly recessed bagged finish.

Rights of Appeal

- (1) If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State of Department of Communities and Local Government in accordance with Section 78 of the Town and Country Planning Act 1990, within six months of the date of this notice (12 weeks in the case of a minor commercial application). The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

- (2) If permission to develop land is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the council of the county/district in which the land is situated a purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

Note: If an aggrieved applicant wishes to exercise their right of appeal as above mentioned, they should do so using a form which you can get from the Secretary of State at:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 00 00) or online at www.planningportal.gov.uk/planning/appeals

Notes

1. Please note, only the applicant possesses the right of appeal.
2. No consent, permission or approval hereby given absolves the applicant from the necessity of obtaining the approval, under the Building Regulations, of the District Council in whose area the site of the proposed Development is situated; or of obtaining approval under any other Bye-Laws, local Acts, orders, regulations and statutory provisions in force; and no part of the proposed development should be commenced until such further approval has been obtained.
3. In your own interests your attention is particularly drawn to the conditions under which approval has been given to your proposals. Failure to comply fully with the conditions could lead to enforcement action resulting in work already done being demolished or prosecution in Magistrates' Court.
4. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within 28 days of the date of this notice.
5. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

Conditions (Continued)

- 7 No work shall commence on the installation of any door in the development hereby approved until detailed plans showing the constructional details and external appearance of all external doors and frames (and glazing if included) have been submitted to and approved in writing by the Local Planning Authority. All doors shall be installed in accordance with the details so approved and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
- 8 No work shall commence on the installation of any replacement or new windows (and glazing if included) in the development hereby approved until detailed plans showing the constructional details of all window frames to be used in the development have been submitted to and approved in writing by the Local Planning Authority. Such plans should indicate, on a scale of not less than 1:20, the longitudinal and cross sectional detailing including means of opening. The window frames shall be installed in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
- 9 Trickle vents shall not be incorporated into any new windows hereby approved and shall not be installed thereafter unless otherwise agreed in writing with the Local Planning Authority.
- 10 All rainwater goods shall be black painted cast iron and thereafter be so maintained in that condition in perpetuity unless otherwise agreed in writing by the Local Planning Authority.
- 11 No work shall commence to paint or black stain external joinery in the development hereby approved until a scheme for the painting or staining of all external joinery has been submitted to and approved in writing by the Local Planning Authority. The scheme shall include details of the proposed treatment for doors, windows, shutters, stable doors and any other exterior joinery fixtures. The works shall be carried out in accordance with the approved details and shall be maintained in that condition in perpetuity unless otherwise agreed in writing with the Local Planning Authority.
- 12 The garage conversion hereby approved shall not be used as part of the domestic residence until the related parking facilities have been constructed in accordance with the approved drawing titled Site Layout / Proposed Ground Floor Layout. Once created these parking areas shall be maintained clear of any obstruction and retained for their intended purpose at all times.
- 13 No work shall commence to clear the site in preparation for the development hereby permitted until full details of the proposed boundary treatment to the site, including the size and species of any hedging, the materials to be utilised to any walls or fences and the timetable to implement the proposed works, shall be submitted to and approved in writing by the Local Planning Authority. The site boundary works shall then be implemented in accordance with the approved details. The boundary treatment shall be maintained in perpetuity unless otherwise agreed in writing by the Local Planning Authority.

Informative

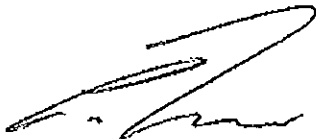

- 1 All bats and their roosts are fully protected under the Wildlife and Countryside Act 1981 (as amended by the Countryside and Rights of Way Act 2000) and are further protected under Regulation 39(1) of the Conservation (Natural Habitats etc) Regulations 1994. Should any bats or evidence of bats be found prior to or during development, work must stop immediately and Natural England contacted on 0300 060 3900 for further advice. This is a legal requirement under the Wildlife and Countryside Act 1981 (as amended) and applies to whoever carries out the work. All contractors on site should be made aware of this requirement and given information to contact Natural England or the Bat Conservation Trust national helpline on 0845 1300 228.

Reasons for Conditions

- 1 To ensure compliance with Sections 91 to 94 of the Town and Country Planning Act 1990 as amended.
- 2 For the avoidance of doubt and to ensure that the details of the development comply with the provisions of NYM Core Policy A and NYM Development Policy 3, which seek to conserve and enhance the special qualities of the NYM National Park.
- 3, 4, 6 For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that building materials are of a high quality and compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 5, 7-11 For the avoidance of doubt and in order to comply with the provisions of NYM Core Policy A and NYM Development Policy 3 which seek to ensure that the appearance of the development is compatible with the character of the locality and that the special qualities of the National Park are safeguarded.
- 12 In accordance with NYM Development Policy 23 and to provide for adequate and satisfactory provision of off-street accommodation for vehicles in the interest of safety and the general amenity of the development.
- 13 In order to comply with the provisions of NYM Development Policy 3 which seeks to ensure that new development incorporates a landscaping scheme which is appropriate to the character of the locality and retains important existing features.

Explanation of how the Authority has Worked Positively with the Applicant/Agent

The Authority's Officers have appraised the scheme against the Development Plan and other material considerations and recommended changes to the materials and detailing of the proposal, so as to deliver sustainable development.
