Dear Sir/Madam,

Apologies for my late reply to your letter but I  
I been unwell.

Some last thoughts re. the Victoria Hotel planning  
application for an extension.

- 1). There is no disabled access either to the toilet,  
or the garden at the moment. Have these shortfalls  
been addressed?
- 2). Is there to be a maximum number of guests  
allowed in the garden?
- 3). Will the garden fencing be renewed with panels  
of a more robust nature?
- 4). The Victoria Hotel wishes to cater for extra  
guests. Has the availability of the Village Hall  
been given due consideration?

Thanking you for your kind attention.

Yours faithfully
