Application for Planning Permission.
Town and Country Planning Act 1990

L385 # 16634
17/1/17

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website.
If you require any further clarification, please contact the Authority's planning department.

1. Applicant Name, Address and Contact Details

Title: First Name: Surname:

Company name:

Street address:

Town/City:

Country:

Postcode:

Telephone number:

Mobile number:

Fax number:

Email address:

Are you an agent acting on behalf of the applicant? Yes No

2. Agent Name, Address and Contact Details

No Agent details were submitted for this application

3. Description of the Proposal

Please describe the proposed development including any change of use:

Has the building, work or change of use already started? Yes No

4. Site Address Details

Full postal address of the site (including full postcode where available)

House: Suffix:

House name:

Street address:

Town/City:

Postcode:

Description of location or a grid reference
(must be completed if postcode is not known):

Easting:

Northing:

Description:

5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application? Yes No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title: First name: Surname:

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

Recommended raising the pitch of the roof and removing Velux windows
No concerns raised on the site locations
No concerns raised over the glamping pods
No concerns raised for the tiling of the porch area
Permeable surfaces to be used for parking area and footpaths.

6. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway? Yes No

Is a new or altered pedestrian access proposed to or from the public highway? Yes No

Are there any new public roads to be provided within the site? Yes No

Are there any new public rights of way to be provided within or adjacent to the site? Yes No

Do the proposals require any diversions/extinguishments and/or creation of rights of way? Yes No

7. Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste? Yes No

Have arrangements been made for the separate storage and collection of recyclable waste? Yes No

8. Authority Employee/Member

With respect to the Authority, I am:

- (a) member of staff
(b) elected member
(c) related to a member of staff
(d) related to an elected member

Do any of these statements apply to you?

Yes No

9. Materials

NYMNPA
17 JAN 2017

Please state what materials (including type, colour and name) are to be used externally (if applicable):

Boundary Treatments - description:

Description of *existing* materials and finishes:

There is currently old stock fencing along existing boundary where the proposed entrance to the small car park area will be.

Description of *proposed* materials and finishes:

It is proposed that this is replaced with new stock fencing and a 5 bar gate and pedestrian gate be added to allow access.

Doors - description:

Description of *existing* materials and finishes:

the dwelling has a mixture of glazed and solid doors. The store door is currently an old stable door.

Description of *proposed* materials and finishes:

The store door will be replaced with a solid wood door with vertical uprights.

Lighting - description:

Description of *existing* materials and finishes:

the house currently has security lighting and lighting above external doors

Description of *proposed* materials and finishes:

It is proposed that the new parking area is lit by low level and low energy lighting which is turned off after midnight.
The proposed open store will have a downward facing security light and low voltage switched lighting internally.
The proposed glamping pods will have low level outside lighting for the safety of guests. These will be managed by the guests.

Roof - description:

Description of *existing* materials and finishes:

pantile roof

Description of *proposed* materials and finishes:

pantiles - pre-aged

Vehicle Access - description:

Description of *existing* materials and finishes:

The proposed parking area is currently grassed and surrounded by a stand of trees.

Description of *proposed* materials and finishes:

the parking area will be made of a permeable structure with hardcore, MOT type 1 base and 20mm gravel top.

Walls - description:

Description of *existing* materials and finishes:

local dressed stone

Description of *proposed* materials and finishes:

local dressed stone to match

Windows - description:

Description of *existing* materials and finishes:

the dwelling currently has a mixture of sash, fixed, casement windows and Velux roof lights.

Description of *proposed* materials and finishes:

The 6 Velux roof lights will be removed and replaced by 2 conservation roof lights.
The dwellings windows will be replaced for like

OTHER - description:

Type of other material:

Description of *existing* materials and finishes:

There are no current gutters on the lower buildings.

Description of *proposed* materials and finishes:

It is proposed that these will be added in a style to match the current main house rain water goods. (Black traditional style)

9. Materials

Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?

Yes No

If Yes, please state references for the plan(s)/drawing(s)/design and access statement:

PW/001 - Floor plan of dwelling
PW/002 - Elevation's of dwelling
PW/003 - Site location and block plan
PW/003A - Site location showing tree plan, development site, pod location, car park and footpaths
PW/003B - Proposed car park and tree plan

Birch House farm development plan and access statement which includes site photographs and the style of the proposed glamping pods.

NYMNPA
17 JAN 2017

10. Vehicle Parking

Please provide information on the existing and proposed number of on-site parking spaces:

Type of vehicle	Existing number of spaces	Total proposed (including spaces retained)	Difference in spaces
Cars	4	6	2

11. Foul Sewage

Please state how foul sewage is to be disposed of:

Mains sewer Package treatment plant Unknown
Septic tank Cess pit Other

Are you proposing to connect to the existing drainage system? Yes No Unknown

12. Assessment of Flood Risk

Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority requirements for information as necessary.)

Yes No

If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

Yes No

Will the proposal increase the flood risk elsewhere?

Yes No

How will surface water be disposed of?

Sustainable drainage system Main sewer Pond/lake
 Soakaway Existing watercourse

13. Biodiversity and Geological Conservation

To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.

Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:

a) Protected and priority species

Yes, on the development site Yes, on land adjacent to or near the proposed development No

b) Designated sites, important habitats or other biodiversity features

13. Biodiversity and Geological Conservation

- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No
- c) Features of geological conservation importance
- Yes, on the development site
 Yes, on land adjacent to or near the proposed development
 No

14. Existing Use

Please describe the current use of the site:

The house and outbuildings are used as a domestic dwelling. The associated land and woodland which is owned by the residents is used for recreation purposes.

- Is the site currently vacant? Yes No
- Does the proposal involve any of the following?
If yes, you will need to submit an appropriate contamination assessment with your application.
- Land which is known to be contaminated? Yes No
- Land where contamination is suspected for all or part of the site? Yes No
- A proposed use that would be particularly vulnerable to the presence of contamination? Yes No

NYMNP
 17 JAN 2017

15. Trees and Hedges

- Are there trees or hedges on the proposed development site? Yes No
- And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No
- If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

16. Trade Effluent

- Does the proposal involve the need to dispose of trade effluents or waste? Yes No

17. Residential Units

- Does your proposal include the gain or loss of residential units? Yes No

18. All Types of Development: Non-residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Yes No

19. Employment

No Employment details were submitted for this application

20. Hours of Opening

No Hours of Opening details were submitted for this application

21. Site Area

What is the site area?

4.45

hectares

22. Industrial or Commercial Processes and Machinery

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

n/a

Is the proposal for a waste management development?

Yes No

If this is a landfill application you will need to provide further information before your application can be determined. Your waste planning authority should make clear what information it requires on its website.

23. Hazardous Substances

Is any hazardous waste involved in the proposal?

Yes No

A. Toxic substances

Amount held on site

Tonne(s)

B. Highly reactive/explosive substances

Amount held on site

Tonne(s)

C. Flammable substances (unless specifically named in parts A and B)

Amount held on site

Tonne(s)

24. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one)

The agent The applicant Other person

26. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.
