Subject: Responses to applications from Fylingdales Parish Council

NYM/2017/0041/CU Application in respect of installation of doors and erection of balcony to east elevation together with change of use of land and erection of decking to create enlarged seating at The fish Box, New Road, Bank Top, Robin Hood's Bay.

No objections. Concerns were raised with regard to land ownership, does this belong to Scarborough Borough Council? Also concerns about the stability of the land to take such a construction.

Virginia Ramsey
(Parish Council Clerk)
