Date: 03 APR 2017

Dear Mrs Kelly

Verification check of condition 3 to planning approval NYM/2014/0676/MEIA at Dove's Nest Farm & Haxby Plantation, Sneatonthorpe(proposed minehead); underneath 252 sq km of the NYMNP (winning & working of minerals); a corridor extending underground from the edge of the NP boundary to Wilton International Complex(mineral transport system); Lady Cross Plantation near Egton, Lockwood Beck Farm near Moorsholm, Tocketts Lythe, near Guisborough(intermediate shaft sites); site within the eastern limits of the Wilton International Complex, Teesside(tunnel portal)

I refer to your application and letter of the 8th March providing 21 days advance notice of the intention of undertaking 'Commence of Development'.

I can confirm that satisfactory prior notice has been given and that:

The details are acceptable.

Your attention is drawn to the need to clear all the relevant 'prior to commencement' planning conditions (our ref NYM2017/0033/CVC) and associated S106 requirements in advance of the actual commencement date.

I trust that the above advice is of assistance, but if you have any further queries please don't hesitate to contact Mark Hill (Head of Development Management) at the above address.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'C M France'.
