**Description of the Proposal**

Please describe the proposed development including any change of use:

The proposal consists of the replacement of a 15m monopole tower with 1 x New Hutchinson Tower at 17.5m for which CTIL and EE will be both utilising. CTIL will install 3No antennas, 1No transmission dish and ground based cabinets along with associated and ancillary equipment on the new structure. EE will be removing 2No omni antennas from the existing structure and replacing these with 6 antennas on the new structure, 2No transmission dishes will also be installed on the new structure and ground based cabinets along with associated and ancillary equipment will be employed. Arqiva will be relocating 2No antenna from the existing structure onto the replacement structure. For the avoidance of doubt the existing structure will be removed once the new structure has been erected and is operational.

Has the building, work or change of use already started?

#### 5. Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?  Yes  No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title:  First name:  Surname:

Reference:

Date (DD/MM/YYYY):  (Must be pre-application submission)

Details of the pre-application advice received:

The LPA comments were:

"I have now had the opportunity to look at the details of your proposal, in relation to what is on site already.

I would advise you that the proposed installation of a 17.5m high lattice tower in place of the existing timber pole is likely to be considered acceptable, but I would suggest that it should be mid-grey colour to reduce its impact on the sky-line."

Danby Group Parish Council also had this to say:

"I hope you will be pleased to learn that unless there are some drastic last minute changes to the plans, the Parish Council will wholeheartedly be in support of the proposed development in anticipation that some of the problems with mobile telecommunications in the area will be solved."

#### 6. Pedestrian and Vehicle Access, Roads and Rights of Way
