I refer to your consultation on the above application, my letter dated 26 June 2017 and the revised submission of the Phase 3 Construction Traffic Management Plan (CTMP) received on 6 July. The amendments to the CTMP also address the LHA's concerns relating to the Construction Environmental Management Plan which is now acceptable without amendment.

Following the receipt of the amended CTMP I can confirm that all matters within the remit of the Local Highway authority relating to the partial discharge of conditions for Application NYM/2017/0258/CVC are now addressed to the satisfaction of the Local Highway Authority.

Yours faithfully
