Dear Mrs. Teasdale,

Application Number NYM/2017/0261/FL

I am writing in support of the above application. Myself and my family often visit the shooting ground at Thimbleby and feel that the suggested renewals are an excellent idea which will secure the future of the shooting ground for many years to come. The present building is tired, to say the least, and if Thimbleby Hall is anything to go by the proposed new premises will be of a very high standard.

At a time when rural jobs are disappearing, it would be good to secure the existing jobs and, no doubt, provide new vacancies in the future.

Better facilities will cater for people with disabilities and young people in a safe environment.

I very much hope that this application will be approved as it will help local tourism and provide more income in a rural area.

Yours Sincerely,

Richard Alton.
