Subject: Local occupancy application URGENT

Hi iv just spoken to Dawn in planning.
I'm buying a house in Stainsacre, Whitby, Chestnut cottage which has local occupancy on it and iv only just been told I need to apply to you. I only have a few weeks left on my mortgage application so this is very urgent I'm afraid.

Iv lived and worked all my life in the N York moor national parks.

Enclosed are documents with my address on.

If you could tell me how to proceed thank you.
