Subject: Comments on NYM/2017/0327/FL - Case Officer Mrs C Ward - Received from Mr Richard Agar at 8 Main Road, Aislaby, Whitby, YO21 1SW

We are direct neighbours to this property.
We would like to register our objections to the proposals.
The building is a large substantial dwelling with original features and historic character in a conservation area. Part of the historic character includes long sloping clean roof lines. The installation of dormer windows is out of character with the nature of this and neighbouring buildings.
There are already large roof lights to the rear long sloping roof which were added relatively recently, further large roof lights will further degenerate the original character of this building.
